N A R R A T I V E  1	Topic	ORIGINAL NARRATIVE
	<p>I was dispatched to the Park Central Condominium's, located at 3300 NE 191st St., in reference to an altercation. Upon my arrival, I met with Tiffany Thompson. Tiffany advises that she was visiting a friend of her's at this location. The friend, ( With Benefits) Ezekiel Elliott. Tiffany states that they got into a verbal argument that turned physical, over a social media incident. She states that Ezekiel, pushed her up against the wall, during the argument in his apartment. The force of the push, caused her to have left shoulder pain. Miami-Dade Engine 8 responded to the scene and gave her a medical evaluation. There were no visible sign's of an injury and Tiffany was asked if she needed to go to the Hospital, which she declined. Rescue gave her an ice-pack for her injury, then left the scene.</p> <p>Ezekiel was asked to tell his side of the story, and he explained that Tiffany called him from Ohio a few day's ago. She flew down and stayed with him for a couple of day's. According to Ezekiel, Tiffany became angry over a social media incident and upset because she was asked to leave his apartment, and go back to Ohio. Tiffany did not want to do that, so that escalated the situation further. He attempted to go to his room and lock the door, when Tiffany prevented him from doing so by grabbing him around the waist. That is when he pushed her to get her off of him. She then called Police.</p> <p>Since there were no physical sign's of any injury. Her word against his and no independent witnesses, a report was taken and Tiffany was advised on how to file charges, if she chose to do so.</p> <p>Tiffany left the scene via Uber, without further incident.</p>
